## 2+2 Joint Degree Program with SolBridge International School of Business in South Korea

### What & How is studying like in IBM SolBridge?

We offer you a unique opportunity to join 2+2 Joint Degree Program with SolBridge International School of Business. SolBridge (<https://www.solbridge.ac.kr>) is a prestigious business school which located in Daejeon, South Korea. The school prepares students to be the Next Generation of Asian Thought Leaders in the fast growing and rapidly changing Asian economy. SolBridge is unique among other business schools for several reasons:

- > Association to Advance Collegiate Schools of Business (AACSB) accredited;
- > 80% of the faculty staffs are international professors;
- > International student body with students representing more than 56 different countries;
- > Students are taught in English language, to apply international business model;
- > Balanced approach between theory and practice through immersion programs, special lectures, workshops, and internships.

Under the 2+2 scheme students will spend their first 2-year in the IBM Program of Widya Mandala and the following 2-year will be in SolBridge. Upon their completion, graduates of the program will earn degrees both from Widya Mandala and SolBridge.

Advantages of obtaining a joint degree:

- > Expand knowledge and global perspectives to become international business expert
- > Get international study experiences in Korea, with much affordable costs
- > Acquire international recognition from the job markets
